

COMMUNITY HEALTH NEEDS ASSESSMENT TOP HEALTH PRIORITIES

- 1 Obesity / healthy lifestyles
- 2 Community-building / economic development
- 3 Positive decision-making for adolescents and teens

ADDRESSING COMMUNITY HEALTH PRIORITIES

"Wellness & Fitness Program - Our clinic is developing a fitness program for our patients."

COLLABORATION EXAMPLE

"The clinic provides care for low-income and uninsured patients at The Hope Center"

COMMUNITY PARTNERSHIPS

HOSPITAL "provides money for lab and diagnostic tests... the CEO is on the Board of Directors and is very supportive of our clinic..."

HEALTH DEPARTMENT "provides services that we cannot provide, such as pregnancy tests, family planning..."

MENTAL HEALTH CENTER "we refer our patients to mental health centers"

PRIVATE PRACTICES "three family practice physicians [serve as] our volunteer physicians"

OTHER "our clinic is a faith-based clinic and local non-profits support us with private donations"

CARE COORDINATION & PATIENT-CENTERED MEDICAL CARE

"We are double and triple-checking medications for our patients... Nurses are checking at the time of the visit and the physician goes over the medication with the patient, and the director checks the medications after each visit."

USING GRANT FUNDS TO IMPROVE PATIENT CARE

"The grant money will be used to fund the directors salary of the clinic to keep it open. Without the grant money it is unlikely for the Agape Clinic to exist."
